ABOUT THE EXHIBITION

After the great success of previous edition, Nepal Chamber of Commerce is glad to present the 8th Edition of its premier consumer and trade event **NEPAL CHAMBER EXPO 2025**. Nepal Chamber expo is conceptualized with the objectives to provide a platform for awareness, perception and positioning of the business and to create a hub for new connection and networking. The expo will be centered to introduce latest and quality products in the market to cater to the varied consumer needs and demand. Nepal Chamber Expo 2025 aims to create a favorable environment for the promotion of local business among the international committee as well as create a genuine trade base for the international exhibitors to explore their business possibilities with extended promotion in Nepal. The expo welcomes organizations from cross section of business areas such as manufacturing, trading and service industries. The emphases will be on providing the exhibiting organization with every possible support and opportunities to improve, evolve and expand their business in the long run.

OBJECTIVES OF EXHIBITION

- ~ To provide a platform for awareness, perception and positioning.
- ~ To provide the opportunity to different stake holders for the business sector for creating the new business avenues and consumer friendly trade practices.
- ~ To introduce learning and sharing of knowledge about a new trends in the industries.
- ~ To foster a better understanding of the importance of the business exhibition in Nepal.
- ~ To provide an overview of the Nepalese consumer market, trade and industrial development.
- ~ To create awareness and to encourage people to buy and use quality products and services.
- ~ To promote national trade and industries among the international community.
- ~ To offer an opportunity to the international exhibitions to explore the Nepalese market and current business trends.
- ~ To develop high quality hands-on experiences that could stimulate and encourage more exhibitors from diverse areas to participate.
